Themes in Modern European and Colonial History

教員名: Trevor ASTLEY (トレバー アストリー)

授業概要

This seminar aims to foster an understanding of ideas and events that have shaped the contemporary world. It provides an introduction to significant themes in modern European history focussing on the nature and impact of imperialism and colonialism in China and Africa and then the role of revolution in Europe and China.

Themes that are covered:

- European imperialism and colonialism in Africa and China
- Revolution in Europe and China

授業の形式

Information will be given to students in the form of readings in English and short lectures and presentations in English with some Japanese explanation. Vocabulary lists will also be provided. There will also be student presentations in English and student-led group discussion, primarily in English.

課題・成績評価基準

Reports, student presentations

その他

This course will allow you to practise your English skills and presentation skills as well as develop your research skills and expand your knowledge and understanding of the modern world.
