

授業名	英語教育ゼミナール A-1・A-2	開講年度学期	2024年1期・2期
担当教員	Kazuyoshi Sato		
主要テーマ と 学習目標	<p><Theme> “Teaching English as a Foreign Language”</p> <p>In this seminar, you will develop your understanding about the principles of language teaching. In essence, you will learn theory about communicative language teaching. Moreover, you will learn how to put theory into practice. Two main goals are:</p> <p>(1) understanding theory about how to teach English communicatively, and (2) developing teaching skills through demonstration.</p>		
授業計画	<p>Instructions are conducted in English. Students will learn a wide variety of activities so that they can make a lesson plan for junior and senior high school students. Every week a couple of students will demonstrate an activity and evaluate the performance of them. In the fourth year, students will make groups according to their interest in the school level (junior or senior high school). They will work on materials development in their groups and make a presentation.</p>		
成績評価	<p>1. Attendance & self-evaluation (10%) 2. Reflection log & Reading assignment (20%) 3. Demonstration (30%) 4. Final project—developing a lesson plan (30%)</p>		
使用教科書	Jane Willis (1996). <i>A Framework for Task-Based Learning</i> . Longman.
